The Advent Wreath

The lighting of an Advent wreath is a custom that began in 16th-century Germany. The original purpose of the wreath was to bring focus on Christmas rather than on Advent as a distinct season.

On the first Sunday of Advent, the first purple candle is lit. This candle is typically called the "Prophecy Candle" in remembrance of the prophets, primarily Isaiah who foretold the birth of Christ: **Bethlehem Candle**

On the second Sunday of Advent, the second purple candle is lit. This candle typically represents love. Some traditions call this the "Bethlehem Candle," symbolizing Christ's manger

Community Council Penny Dinners

The Community Council wishes to thank everyone who supported Cork Penny Dinners last weekend. Your generosity whether through time, donations, or simply showing up in support made a real and positive difference. We are deeply grateful to all who helped, and proud to stand together in support of those most in need.

Shepherd's Candle

On the third Sunday of Advent the pink, or rose-coloured candle is lit. This pink candle is customarily called the "Shepherd's Candle," and it represents joy:

Angels Candle

The fourth and last purple candle, often called the "Angels Candle," represents peace and is lit on the fourth Sunday of Advent.
